Remarks

- The prices mentioned above are taxes and transaction fees excluded (if applicable).
- The CeedVocal SDK License is provided to the final customer who actually submits the application to the App Store. When our direct customer is a consulting company or individual, a license has to be bought by each final customer.
- The commercial license provided may not be resold to any other party.
- Must be mentioned in the credits within the application: "Speech Recognition provided by Creaceed, based on Large Vocabulary Continuous Speech Recognition Engine Julius and Flite" with a link to the CeedVocal SDK - Acknowledgements webpage (where Julius and Flite credits are mentioned).
